**THE MORTGAGE COMPANY, INC.'S OPPOSITION TO  
SET ASIDE JUDGMENT**

The Mortgage Company, Inc. (“Mortgage Company”) submits this opposition to the Plaintiff’s motion titled “Motion to setaside [sic] order’s For Defendants.” This motion, like the plaintiff’s previous motions, is without merit. The plaintiff has yet to offer any reasons why the Court’s Order dismissing the case and denying the plaintiff’s motion to vacate should not stand.

In further support of this opposition, the Mortgage Company relies on the previously filed motions to dismiss and motions in opposition to vacate the judgment filed by the Mortgage Company and by the other defendants in this case.

WHEREFORE, the Mortgage Company requests that the plaintiff's motion be denied.

Respectfully submitted,

THE MORTGAGE COMPANY, INC.
